## **FOR IMMEDIATE RELEASE**

---

### **2011 Street Maintenance Program Update**

**Kerrville** - The City of Kerrville Street Division will be edge milling and asphalt overlaying the following streets: Jackson Rd. between Harper Rd. and Methodist Encampment Rd. and Glen Rd. between Methodist Encampment Rd. and Valley Dr. This work will be in progress from August 22 to September 16 between the hours of 7:00 a.m. and 7:00 p.m. No road closures are anticipated; however, alternate lane closures will occur during this period and traffic through this area should anticipate lower speeds with the possibility of delay through the work zone. Access for residents, postal service and emergency services will be possible at all times with only minor delays.

Due to an increase in asphalt prices, the early completion of the Jackson Rd. Utility Project, and the best use of available funds, the original list of scheduled street repair was reprioritized to include Jackson and Glen roads for this year. Some of the streets that were targeted as possible candidates this year will be scheduled for future rehabilitation. This will be the final project for the 2011 Street Maintenance Program.

For additional information concerning the Street Maintenance Program contact Charlie Hastings, Director of Public Works at 830.258.1220 or visit the City's website at [www.kerrvilletx.gov](http://www.kerrvilletx.gov).
